

EnergyWise Program Participating Contractor Listing

Your Energy Specialist will arrange for one of the pre-approved contractors listed below to complete insulation and air sealing in your home. If you would like to choose your own contractor from those listed, please note your preferred contractor on your weatherization contract. These contractors are Building Performance Institute (BPI) certified. BPI is a national standards development and credentialing organization for residential energy efficiency retrofit work. For more details visit www.bpi.org.
