Customer acknowledges that Contractor is fully responsible to Customer for the installation and sizing of the heating equipment and that National Grid makes no warranties, guaranties or representations with regard to Contractor's installation. All offers are subject to terms and conditions and are subject to withdrawal by National Grid at any time. Offers for Massachusetts and Rhode Island customers only who reside in National Grid territory and where National Grid service is available.

Contractor accepts full responsibility for selected equipment specification and will pay a re-stocking fee for any equipment requiring reorder due to incorrect specifications. Contractor will coordinate delivery of said equipment with National Grid designated distributor. Contractor acknowledges that selected equipment will be provided by National Grid to the customer listed above. Contractor agrees to support the manufacturer's warranty for specified equipment for a period of one year from the date of installation.

Owner acknowledges that National Grid is providing heating equipment for owner to convert to natural gas heat. If the owner fails to have the equipment installed by a qualified contractor within 14 days of delivery, the owner and contractor shall be liable for the cost of the equipment. Equipment offer is available to homeowners who do not currently heat with gas where National Grid service is available. For MA & RI state and local taxes are applicable.
