TERMS AND CONDITIONS

- 1. Rebates** - Subject to these Terms and Conditions, this program is offered by KeySpan Gas d/b/a National Grid ("the Company" or "National Grid"). The Company, through its contractual vendor, (the "Vendor"), will pay rebates to eligible customers in the Company's Service Territory, for the purchase and installation of the equipment/products described in this literature and within this application.
- 2. Customer Eligibility** - Rebate programs are available to existing National Grid gas heating customers and customers who convert from oil to gas heat. Long Island offer available to customers who reside in Nassau/Suffolk counties and the Rockaway Peninsula where natural gas is available. New York City offer available to customers that reside in Queens, Brooklyn and Staten Island where natural gas is available. Some restrictions may apply. Rebate offers are subject to change without notice and the program may be terminated at any time due to funding constraints. Check www.ngrid.com/ee frequently for program updates or installation extensions. Customers may not apply for or receive multiple incentives for the same eligible measure from other SBC funded New York State utilities or the New York State Energy Research and Development Authority ("NYSERDA").
- 3. Program Length** - New equipment installed between 1/1/17 and 12/31/17 with a rebate application uploaded or postmarked by 12/31/17 to be eligible for rebate contingent upon availability of funds. It must have been new equipment installed at the installation address listed on this application and the required documentation listed must be uploaded or postmarked by 12/31/2017. Residential customers who do not have online access must call 1-877-316-9491.
- 4. Post-Installation Work Verification** - The Company reserves the right to perform a verification of the specified installation. If the Company and/or Vendor determines that the equipment was not installed in a manner that is consistent with program guidelines, the Company and/or Vendor may require that the installation be modified before making any rebate payments. The cost of such modifications is the responsibility of the customer.
- 5. Energy Use Information** - I hereby authorize the Company to release my energy use information to Energy Efficiency Program Sponsors (EEPS) and System Benefit Charge (SBC) program administrators and/or its designee. I understand that such information will be kept confidential and used only for the purpose of determining program eligibility and energy savings.
- 6. Installation Requirements** - Installations must comply with applicable laws and code requirements. Wi-Fi enabled thermostats can be customer-installed or installed by a qualified contractor.
- 7. Proof of Proper Installation** - As part of his/her application, the Customer is required to submit dated copies of all paid invoices documenting the installation (including all materials, labor and equipment invoices) which reflect the actual cost of purchasing and installing the equipment. If label is unavailable, manufacturer specification sheet with model number matching invoice may be substituted.
- 8. Indemnification** - Customer shall defend, indemnify and hold harmless the Company and its officers, directors, employees, agents, servants and assigns from and against any and all losses, claims, demands and/or liability for damage to property, injury or death of any person, or any other liability incurred by the Company, including all expenses, legal or otherwise, arising out of or related to the equipment or installation, except to the extent attributable to the negligence of Company. In no event shall Company's liability to Customer exceed the rebate amounts.
- 9. Limited Scope Review** - The scope of review by the Company and the Vendor and their Inspector of the installation of the equipment is solely to determine whether rebates are payable. It does not include any kind of safety or code review and should not be relied upon as one.
- 10. Rebate Amounts** - The Company will provide rebates for up to two (2) new Wi-Fi thermostats and rebates cannot exceed the purchase price of the equipment. Programmable and Wi-Fi thermostats purchased between January 1, 2017 and December 31, 2017 are eligible for rebate, pending funding availability. Rebate amount will not exceed purchase price of thermostats. Maximum rebate amount is \$150. Rebate will be issued as a National Grid Visa Prepaid Card* or check. Rebate is subject to change without notice. *National Grid Visa Prepaid Card is issued by MetaBank®, Member FDIC, pursuant to a license from Visa U.S.A. Inc. No cash access or recurring payments. Card valid for up to 6 months, funds do not expire and may be available after card expiration date, monthly card account management and post-expiration card re-issuance fees may apply. Card terms and conditions apply.
- 11. No Warranties** - The Company and the Vendor do not endorse, guarantee or warrant any particular contractor, manufacturer or product installation. The Company and the Vendor do not make any representation of any kind regarding the results to be achieved by the equipment or the adequacy or safety of such equipment.
- 12. Changes in the Program** - Equipment Incentive Program/Tax Liability Conditions and details of the program are subject to change without prior notice and rebate offers may increase or decrease over time. The Company reserves the right to modify or terminate the program without notice. Participants of the program may be subject to tax liability for the value of goods and services received through the program pursuant to state or federal income tax codes. The Company is not responsible for any tax liability which may be imposed as a result of receipt of the rebate by the Customer.
- 13. Contractor Insurance** - The Company is not responsible for any damage that may be caused by or arise out of an installation of any equipment. The customer is responsible for selecting contractors who are qualified and carry adequate insurance coverage.
- 14. Eligible Measures** - Only measures included on this application are eligible for rebates. The Company will not provide rebate payments for non-eligible equipment, substitutions or used equipment. The Company has the right to reject any rebate application with ineligible equipment not indicated on this form.
- 15. Payments Assignable to a Third Party** - (a) The Customer may request that the incentive be paid directly to a third party by so indicating in the Program application. Notification of third-party payment will be sent to the Customer upon submission of the Program application for the purpose of Customer confirmation. (b) If no payment choice is made, the Company will send the incentive payment directly to the Customer at the address indicated in the Program application.
- 16. Payment** - The Company, through the Vendor, expects to mail a rebate check or National Grid Visa Prepaid Card to eligible customers within 6-8 weeks of a satisfactory work verification. The customer must refund any rebate made to the extent the contractor or equipment does not satisfy program requirements.
