Customer agrees that the Energy Efficiency Program Provider (EEPP) has the unilateral right to apply for any ISO-NE capacity payments or environmental credits resulting from this energy efficiency project, and agrees not to file for such payments or credits either directly or indirectly. Manufacturer and/or retailer agree to provide the EEPP with such further documentation as the EEPP may request to confirm the EEPP's ownership of such benefits.

Rebate paid in the form of a Visa prepaid card. The Visa prepaid card is not redeemable for cash or usable at any ATM. Terms and Conditions apply to the card. **Subject to applicable law, a monthly maintenance fee of \$3 (USD) applies, but is waived for the first six months after the card is issued.** Your card is issued by MetaBank™, Member FDIC, pursuant to a license from Visa U.S.A. Inc. Cards can be used at any merchants that accept Visa debit cards within the United States and US Territories.

Older thermostats may contain mercury and should be disposed of properly. For more information on mercury and proper disposal, please visit www.epa.gov/mercury/consumer.htm. For local disposal options, visit <http://search.earth911.com>.
